REPORT : PARENTS ORIENTATION

22th April, 2017

Parents orientation was held on 22.04.17 (Saturday). The Parents counseling was done by the Principal and team of teachers of pre-primary to class II.

The parents were made aware about the teaching techniques & curriculum, assessment pattern, life skills, manners, etiquettes, home work policy and art activities of the school. The principal at last gave some parenting tips to the parents and suggested them how to groom their children to develop their personality. Parents were allowed to interact and have one-to one meeting with the teachers.
