

Usha Martin World School, Patna

REPORT : Special Assembly(Eid Celebration)

3rd July, 2017

On 3rd of July the junior students of Usha Martin World School enjoyed a post Eid celebration through a special assembly conducted by the class IV and V students. Students' enthusiasm was shown in their acting as they presented a beautiful, emotional skit on Eidgah. A small little child of class I also participated in drama. More over the energetic, melodious song of Eid Mubarak touched our heart. The dance performance of class III, IV & V children compelled our heart to dance too. Their vigorous efforts made all the audience and our Head of The institution over whelmed.
