

WINNING THE ISA AWARD – A MOMENT OF PRIDE

Usha Martin World School, Patna has been successfully awarded with the **British Council International School Award** for the period 2016-2019 on 16th Sept, 2016.

Winning this coveted ISA Award was a momentous occasion for the school as it is another milestone in the journey of the school towards excellence. ISA acts as a

benchmark that ascertains schools as having an outstanding level of support for providing the students international dimension and global exposure.

The feedback from the assessment panel – "**An excellent dossier with ample evidence of students' work embedding International Dimension**" made the teachers and the students feel proud of their achievement. Students have explored their creativity and innovation to the fullest working on seven curriculum based projects the year-round.

Being a part of the ISA, all activities were a new and wonderful experience not only for the students but also for the teachers and the school. The support and the motivation of the Head of schools, Dr. Tarun Singhal and the Principal, Mrs. Anita Singh, worked as a catalyst in instilling this global dimension into the teaching learning experience. The 'Puppet-Show' as a part of the ISA project turned out to be the most illuminating activity. The contribution of ISA coordinator, Ms. Sushma Singh as well as each and every co-ordinating teachers was praise worthy. This award had added one more feather in the cap of Usha Martin World School.
